

The Marco Polo Hotel contains 140 rooms (including 2 suites). It offers generous spaces with a simple décor in a very comfortable and functional hotel.

Installations

The restaurant can seat up to 220 people, and offers a buffet menu with a wide range of dishes. You can admire the panoramic view from the Cafeteria-bar-lounge.

Room(s)

Most of the hotel's rooms and suites have a balcony. They are spacious and fully equipped with complete bathrooms, satellite TV, strongbox and direct telephone.

Sports/Entertainment

The Marco Polo offers you a recreational complex situated 80 m from the hotel, containing a discotheque, pool and a magnificent artificial lake where you can enjoy all sorts of outdoor activities: V.T.T., horse riding, archery, trout fishing, etc.

La Massana is also the starting point for a large number of hiking trails.

For the winter sports season, the hotel is situated 300 m from the cable car taking you to the ski runs of the Vallnord ski area. In summer, you can take the cable car and enjoy a fabulous walk in the high mountains.

NB : the complex will totally open in the year 2007.
